ABOUT THE CONFERENCE

The Department of Electronics and Communication Engineering of SKCET is organizing the First National Conference on Communication Technology Interventions for Rural and Social Development (NCC-TIRD 2012) during 16th & 17th February 2012. The two day programme will consist of Paper presentations, Poster presentations, Expert talk and Panel discussion.

OBJECTIVES

The primary goal of NCC-TIRD 2012 is to promote research and development activities in Communication Technology Interventions for Rural and Social Development in India and rest of the world. NCC-TIRD 2012 aims to bring together researchers and scientists from academia, industry, and government laboratories to present new results and identify future research directions in innovative Communications techniques and its applications. This naturally facilitates sustained research and exchange of ideas in the said areas.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication is committed to provide the state-of-art technical education to the tomorrow's technocrats through dedicated quality teaching. The department is also accredited by NBA-AICTE and it strives to provide ample opportunity to the students for exploring and exploiting new avenues in the field of ECE.

The department has excellent Infrastructure facilities with highly qualified and devoted faculty members having specialization in the areas like VLSI & Embedded systems, Image Processing, Medical Electronics, Network Security, Wireless Communication, Signal Processing, Grid Computing, etc. Our students are recruited by companies like TCS, Infosys, WIPRO, HCL, etc.

ABOUT THE INSTITUTION

Sri Krishna College of Engineering and Technology occupies a place of pride amongst the premier technical Institutes of South India. Established in the year 1998, within a decade, the Institute has marched towards the pinnacle of glory through its remarkable achievements in the field of Engineering Education. The college is ISO 9001:2008 certified and is approved by AICTE, Accredited by NBA, New Delhi and affiliated to Anna University. The College offers various UG and PG courses and has 8 full fledged Departments with Excellent Infrastructure facilities. The College has earned wide reputation for its quality of teaching and holistic approach adopted by eminent faculty towards grooming the younger generation. A fully Air Conditioned central library of International standard, Excellent computing facilities with 8 Mbps (1:1) leased line Internet Connectivity, modern laboratories to meet the Industrial standards, High profile placement cell and R & D cell makes the Institution Unique by all means.
