Refunds could take numerous weeks to process.

### **Academic Progression**

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. ### **Alternative Offers**

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available

for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

#### **Applying for an ATAS Certificate (if required)**

**If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. If your course is not listed, it **MAY STILL require ATAS, so please ensure you check the Home Office website for updates.** Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.**

**If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.**

#### **Data protection**

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at

<https://www.coventry.ac.uk/the-university/gdpr-and-data-protection/fair-processing-notices-and-ico-registration-numbers/>

It is important that you read this Fair Processing Notice as it will tell you what personal information we collect from you, why, what we do with it and how we may share it with.

#### **Personal Details**

Please notify us if you change your address, email or telephone contact details so that we will keep in touch with you until enrolment. Good luck with your preparations and we hope you will be able to join us at the University soon. If you have any further queries please do not hesitate to contact us.

Yours Sincerely

## **Important Information-please read**

**Enrolment onto your course is subject to you obtaining the right to study in the UK on a course at the University.**

### **Confirmation of Acceptance for Studies (“CAS”)**

On confirmation of evidence that you have met all the entry conditions set out above, save for obtaining a visa, including receipt of your 1<sup>st</sup> Tuition payment (or an acceptable financial guarantee letter) by our finance department, we will e-mail you your unique CAS number (if applicable). This will be a PDF copy of the CAS statement generated from the UKVI's SMS portal. You will need your CAS to apply for your student visa. Where applicable, we may be able to issue you an Unconditional Offer Letter as evidence that you have fulfilled all admissions entry requirements

### **Accepting Our Offer**

If you wish to accept this offer and firmly reserve a place you must reply by email quoting your name and reference number (as above) and confirming the course you are accepting. Alternatively, on meeting your offer conditions and by paying the Deposit, on receipt of the Deposit by the University you formally accept your offer of a place with the University.

This offer has been made on the basis that you are an International Student. If this is not correct, this offer may be withdrawn at any time.

If you consider that you are a Home fee paying please contact [ukadmissions@coventry.ac.uk](mailto:ukadmissions@coventry.ac.uk) who will review this offer.

By accepting your offer of a place, a Student Contract will be formed between you and the University. This Offer Letter, the **21/22 Student Contract** (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14 day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed 21/22 Student Contract and email it to [applications.io@coventry.ac.uk](mailto:applications.io@coventry.ac.uk).

### **Enrolment Details**

Further information will be sent to you by email advising you on how to enrol, most importantly:

- Ensure you do bring originals of the academic documents used by the Admissions team to issue your CAS to you [these would be stated on your CAS in the evidence to obtain offer section.] for verification by the University's Compliance team
- Ensure your personal details including your full names and date of birth on your original academic documents **do match** the same details on your passport. If there are any discrepancies between these documents and your passport you need to provide a supporting letter from your previous institution confirming you are indeed the same person who studied with them and was awarded the qualification. Please note the University **does not accept** affidavits and these would not be accepted for enrolment.
- You must have paid up to £8000.00 before you arrive to enrol

Further information can be found at <https://www.coventry.ac.uk/study-at-coventry/get-ready/>

### **Document Verification – Academics and Evidence of English Proficiency**

At enrolment, we will need to verify your academic and English qualifications stated on your CAS or Unconditional Offer letter. You **MUST** bring these original documents with you to enrol onto your course. Photocopies or electronic copies will **NOT** be accepted and you will not be able to enrol. Likewise, you may not be allowed to attend classes if originals of these are not provided.

### **Tuition Fees**

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. **Please ensure that you read the 'tuition fee terms and conditions'**':

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

International Students are required to pay a tuition fee deposit at each Academic Stage/Year to secure a place. Before you can fully enrol onto your course, or each Academic Stage/Year, **£8000.00 of your full tuition fees for the relevant Academic Stage/Year must be received by the University**. Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University and credited in to your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g. to repeat a year or resit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents. **JANET** **ASSESS** and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications

for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

Please note you may be asked to provide evidence of your financial documents before your CAS is released to you. Your financial documents must meet the requirements for a student visa application. You can find more information here: <https://www.gov.uk/student-visa>

### **EU Students**

If you have the right to live in the UK, including under the UK Government's EU Settlement Scheme or because you are from the Republic of Ireland, you may be exempt from paying international fees and we encourage you to contact us via [ukadmissions@coventry.ac.uk](mailto:ukadmissions@coventry.ac.uk) to discuss this further. Please note you will be required to provide documentation to prove your fee status eligibility.

### **Relevant Unspent Criminal Convictions**

The University asks all individuals seeking sponsorship by the University to declare any relevant unspent criminal convictions in accordance with its 'Disclosure of Criminal Convictions Policy and Procedure'. If you accept this offer, you will receive an email with a declaration form which you must return to the University for consideration before your CAS will be issued to you.

You can see the 'Disclosure of Criminal Convictions Policy and Procedure' [here](#)

### **How to Pay (you will need to quote your Student ID number and full names when making payment):**

- Directly over the phone with an acceptable credit/debit card, by calling us directly on **+44 (0)24 7765 2152**
- Online (for the Coventry Campus): [here](#)
- By bank transfer\*\*\* and other methods- see information [here](#)

\*\*\* In some instances, we may need to track your payment in order to process your application further, so please include a scanned copy of your MT103 form when you send us your evidence of payment by email.

Please note that students or 3<sup>rd</sup> parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. So we strongly advise you make your tuition payment(s) using one of the options highlighted above.

### **Tuition Awards and Scholarships**

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

### **Academic Progression**

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

### **Sponsored Students**

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

Please note that the University does not accept MOHE sponsored student onto Undergraduate courses that are less than 3 years in length.

### **Completing the under- 18 Parental Consent and Guardianship Form (if required)**

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

**We will not issue your CAS letter if this form is not completed fully and returned to us.**

### **Alternative Offers**

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, a student entering during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available

for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

#### **Applying for an ATAS Certificate (if required)**

**If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. **If your course is not listed, it MAY STILL require ATAS, so please ensure you check the Home Office website for updates.** Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.**

**If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.**

#### **Data protection**

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at

<https://www.coventry.ac.uk/the-university/gdpr-and-data-protection/fair-processing-notice-and-ico-registration-numbers/>

It is important that you read this Fair Processing Notice as it will tell you what personal information we collect from you, why, what we do with it and how we may share it with.

#### **Personal Details**

Please notify us if you change your address, email or telephone contact details so that we will keep in touch with you until enrolment. Good luck with your preparations and we hope you will be able to join us at the University soon. If you have any further queries please do not hesitate to contact us.

You are required to provide evidence of your proficiency in English by supplying a copy of a secure English language test certificate. We accept any of the following:

- [IELTS Academic](#) - 6.5 overall and 5.5 in all skill components.
- [TOEFL iBT](#) - 92 total and minimum skill component scores of 18 reading, 17 listening, 20 speaking and 17 writing.
- [PTE Academic](#) - 65 overall and 59 in all skill components.
- [Cambridge Assessment English tests](#) - Cambridge English Scale score of 180 overall and 160 in all skill components.
- [Trinity College London Integrated Skills in English III](#) - Pass overall.

We understand that due to limited test availability, some applicants may experience difficulties taking one of the above tests. We are now also able to accept the English tests listed below, some of which are available online:

- [IELTS Indicator](#) - 6.5 overall and 5.5 in all skill components.
- [TOEFL iBT Home Edition](#) - 92 total and minimum skill component scores of 18 reading, 17 listening, 20 speaking and 17 writing.
- [Linguaskill General](#) - Cambridge English Scale score of 180 overall and 160 in all skill components.
- [LanguageCert International ESOL B2 Communicator](#) - High Pass overall and 33 in all skill components.

We verify all test scores with the test providers and we are only able to accept tests taken within two years of the course start date.

All elements of the test results must be demonstrated in one test, we are unable to accept a combination of scores across two or more tests.

In extremely rare circumstances we may reject a test score if one element of the test has a very low score. This would only occur if we believed this would impact on your ability to study with us or if the score did not meet UK Visas and Immigration (UKVI) requirements to study in the UK.

---

We look forward to receiving your acceptance and welcoming you to our Cranfield community.

Yours sincerely

# Accompanying Information and Conditions of Offer

## University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
  1. the provisions of all the Laws of the University that concern registered students
  2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
  3. the terms and conditions of this document ('these terms')

**You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.**

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
  1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
  2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

[www.cranfield.ac.uk/about/governance-and-policies](http://www.cranfield.ac.uk/about/governance-and-policies)

The General Student Handbook along with other Senate Handbooks can be found at:

[www.cranfield.ac.uk/about/governance-and-policies/quality-assurance](http://www.cranfield.ac.uk/about/governance-and-policies/quality-assurance)

The University's Student Protection Plan can be found at:

[www.cranfield.ac.uk/studentprotectionplan](http://www.cranfield.ac.uk/studentprotectionplan)

Please note that the Laws of the University, the General Student Handbook, the Student Protection Plan and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the University and the student experience. You are required to abide by such changes whilst you are a registered student.

## Payment of Tuition Fees

4. Tuition fees are payable annually in advance.<sup>[1]</sup> Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided by a sponsor acceptable to the University on your behalf in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration. You cannot abrogate this personal liability to your sponsor.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not

increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

6. For some part time taught courses the tuition fee comprises an annual registration fee and a fee for each taught module. The first year's registration fee must be paid on or before initial registration and thereafter on an annual basis at the beginning of each year of study. Fees for each taught module will be invoiced individually when the module is attended.
7. For some research courses, an Additional Fee Element will be payable in addition to the published research tuition fee. The Additional Fee Element covers additional costs associated with, for example; programme management support, support from specialist laboratory technicians, access to specific technical equipment, facilities and analytic equipment. The Additional Fee Element, where applicable, will be outlined in the course offer letter and must be paid on an annual basis at the beginning of each year of study.
8. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at [www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding](http://www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding).
9. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
10. The tuition fee does not include accommodation costs, or materials required of you for your private study.
11. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
12. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee, save at the discretion of the University as provided for in the Student Protection Plan. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.
13. A deposit may be required to secure a place on some courses following acceptance. Other details of which courses require a deposit can be found on our web pages and are outlined in the course offer letter. Deposits will be offset against the tuition fee and are usually non-refundable, except in certain circumstances outside of a student's control. Guidance on the circumstances in which the University is able to refund a deposit can be found at [www.cranfield.ac.uk/study/taught-degrees/fees-and-funding](http://www.cranfield.ac.uk/study/taught-degrees/fees-and-funding).
14. For Level 7 Apprenticeships (Masterships®), levy paying employers may use their apprenticeship service account to fund your training course, up to the funding band maximum. Non-levy paying employer accepted by the University, may arrange co-investment whereby the employer pays a percentage of your training course, up to the funding band maximum, with the remainder being financed by the Government. All employers, whether levy paying or non-levy paying are liable to pay to Cranfield University any amount charged which are above the funding band maximum (Top-up Fees), as well as any payment for the re-sit of your end-point assessment (if required) and/or any fees incurred by the End-Point Assessment Organisation in relation to such re-sit. Please note that your employer must connect to the Education and Skills Funding Agency (ESFA) Digital Apprenticeship Service (DAS) by a specific cut-off date to be advised upon by the University at a later date and shall be liable for the full or part of your training fee which cannot be recovered by the University from the ESFA. Further information with regards to financing an apprenticeship can be found at <https://www.cranfield.ac.uk/about/masterships/employers-financing>. You and your employer must observe the ESFA Funding Rules during the whole period of your training - <https://www.gov.uk/guidance/apprenticeship-funding-rules>. The ESFA requires the establishment of an agreement between the employer and the University. We therefore require that your employer signs our Mastership Agreement, which sets out our relationship. The ESFA also requires the establishment of a tripartite Commitment Statement between your employer, you and the University; and an Apprenticeship Agreement between yourself and your employer. The University require a signed copy of all such agreements before the start of the training. Copies of our legal forms are available for

## Other Expenses

15. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration in your offer letter. Any offer of a Post Graduate Research Studentship is subject to the acceptance of the University's studentship terms and conditions.

## Intellectual Property Rights

16. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
17. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.<sup>[2]</sup> The University will not withhold permission to publish your work unreasonably.

## Duration of Study

18. The dates in your offer letter indicate the 'defined period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students and students taking short courses for credit, this represents the maximum period of time within which the University would normally have expected you to complete all elements of the course. An extension to the period of study will always incur additional tuition fees (see paragraph 8).
19. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

## Period of Offer

20. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 21, 22, 23 and 27).

## Withdrawal of Offer

21. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
22. The University may withdraw the offer if a deposit required to secure a place on the course is not paid by the deadline outlined in the course offer letter.
23. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This may happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory

environments, including UK government public health advice, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

## Right to Cancel

24. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded. After that date any deposit paid may be forfeit subject to the discretion of the University.

## Proof of Identity and Qualifications

25. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

## Permission to Study in the UK

26. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

## Permission to Study at the Shrivenham Campus

27. If you have applied for a course at the Shrivenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence (MOD) site. This will also apply to any modules or part-modules at the Shivenham campus that are otherwise part of courses mainly delivered at the Cranfield campus. Generally this clearance is in line with the national BPSS<sup>[3]</sup> protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. In the case of courses delivered at the Cranfield campus, it may result in a reduction of the choice of modules available. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

## Data Protection

28. The University will need to process your personal information (whether supplied by you or by third parties) to process your offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
29. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate General Student Handbook. This includes further detail on data sharing with other bodies.

## Support for Students with Disabilities or Learning Difficulties

30. If you think that you are likely to require any support because of a disability and/or learning difficulty while you are on the course, you are strongly advised to contact the University for further advice or guidance. All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

## Proper Law and Jurisdiction

31. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

## Changes to the Advertised Academic Provision

32. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
33. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 34 below.
34. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments including UK government public health advice), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

## Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

35. Nothing in these terms shall limit the University's liability to you:
  1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);
  2. for fraud or fraudulent misrepresentation;
  3. under the Equality Act 2010;
  4. under section 57 of the Consumer Rights Act 2015.

References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

36. Subject to paragraph 35 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
37. For the purposes of paragraphs 35 and 36 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.
38. Neither you nor the University shall be liable to the other arising from matters outside of your or the University's control and which could not have been foreseen or prevented even if you or the University had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.

[1] This statement does not apply where payments are made by sponsors who have made alternative arrangements with the University. This includes Military Students attending Cranfield Defence and Security and some other partners.

[2] In the case of programmes that are part of the Academic Provider Contract the Intellectual Property Rights are normally assigned to and vested in the Ministry of Defence.

## Disability and Wellbeing support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by [making a self-referral](#) to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a “reasonable adjustment” may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

## Visa

If you are an international student, you may need to obtain a visa to study in the UK before you can commence your studies with us. More guidance about visa requirements can be found on our [website](#).

Before you can apply for a visa, we have to issue you with a Confirmation of Acceptance for Studies (CAS). Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. Your CAS will be issued by our International Students Compliance Team who will contact you after you hold an Unconditional Firm Offer. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

Please start to prepare the documents you will need for your visa application as early as possible. Our International Student Advice Team (ISAT) can advise you - please see their [website](#) for information.

## How to get in touch

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at [admissions@brookes.ac.uk](mailto:admissions@brookes.ac.uk) or call us on +44 (0) 345 350 3699.

### Confirmation of Acceptance for Studies (CAS statement)

Dear Pravin

Please find below your Confirmation of Acceptance for Studies (CAS) from Royal Holloway, University of London. You will need to use the details below, including the CAS number, on your application to the UK Visas and Immigration (UKVI) and you are recommended to send a copy of this email with your application. This email also lists the documents you should include with your application to prove your qualifications.

It is your responsibility to ensure you can make a valid and in time visa application to arrive and enrol for the start of term. You can find the start date of your course below. For further information please click [here](#).

We are aware that ongoing uncertainty about travel restrictions means that international students from some countries may be worried about their ability to travel to the UK by this date. We are monitoring the situation carefully and if visa restrictions change, we may be able to re-issue your CAS to enable you to begin your studies online and to travel to the UK later in the term.

**Biometric Residence Permit (BRP) Collection for Applications outside the UK** On the Biometric Residence Permit (BRP) Collection page of your visa application, you will need to choose where you wish to collect your BRP. You can click on the link to choose a Post Office location. Please be aware the closest Post Office to the College is in Windsor, postcode SL4 1AA and takes about 30 minutes to travel to by public transport.

Alternatively, you can request the College coordinate the issuing of your BRP. To do this you must use our Alternative Collection Location (ACL) code, 2HE482, in your application. Due to the impact of Covid-19 we cannot guarantee at this time that we can issue your BRP to you at the very start of term and there may be a delay in receiving your BRP. If you choose this option further information will be sent to you nearer to the start of term.

Course: **MSc Automotive Engineering with Electric Vehicles** , Oxford Brookes  
(Oxford Campus)  
Term of Entry: **Autumn 2022 (September-December Entry)**  
Tuition Fees:

**Conditions of Entry:**

Submission of Official Degree Certificate awarded by Anna University  
- Status: Not Received

IELTS 6.0 overall with 6.0 in all skills  
- Status: Not Received

Your place at Oxford Brookes is subject to our [terms and conditions](#). Please read these before accepting our offer, as they contain important information about how your time as a student will be managed and arranged.

We recommend double-checking the course description before you accept any offer as changes may have been made since you made your application. You can read full details for all programmes by searching the course listings on our [website](#).

You can accept or decline the offer in your [applicant portal](#). Please note that if your offer contains a condition of a deposit, in order to confirm your place you must also pay this deposit (unless your fees are being paid by an Oxford Brookes University approved sponsor).

**You will also be able to upload evidence of meeting the conditions detailed above in the [portal](#).**

Find out more about student life at Oxford Brookes at one of our events. We run Open Days and campus tours throughout the year: <https://www.brookes.ac.uk/studying-at-brookes/contact-and-meet-us/>

## Semester Dates

You can find details of upcoming semester dates at [www.brookes.ac.uk/students/semester-dates/](http://www.brookes.ac.uk/students/semester-dates/)

## Updating your details

So that you don't miss out on any important communications from us, please let us know if your contact details change. You can use the [applicant portal](#) to update your postal or email address.

## Disability and Wellbeing support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by [making a self-referral](#) to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a "reasonable adjustment" may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

## Visa

If you are an international student you may need to obtain a visa to study in the UK before you can commence your studies with us. More guidance about visa requirements can be found on our [website](#).

Before you can apply for a visa, we have to issue you with a Confirmation of Acceptance for Studies (CAS). Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. Your CAS will be issued by our International Students Compliance Team who will contact you after you hold an

Unconditional Firm Offer. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

Please start to prepare the documents you will need for your visa application as early as possible. Our International Student Advice Team (ISAT) can advise you - please see their [website](#) for information.

## Additional Information:

### Oxford Brookes University English courses

If your offer is conditional on improving an IELTS score, you may be interested in the [University English](#) courses run by Oxford Brookes International. Passing the relevant University English course is another way to meet the English language requirement. Even if your offer is not conditional on an English language test, the courses are also a good way to improve English proficiency as preparation for your degree studies.

### Finance and Scholarships

You can pay your fees in full at the start of the course or in equal instalments at the start of each semester/term. You can find details of how to pay fees and more information about possible sources of funding at [www.brookes.ac.uk/studying-at-brookes/finance/](http://www.brookes.ac.uk/studying-at-brookes/finance/)

### Deposits – only applicable if a deposit is listed as a condition in the letter above

Deposits paid will be refunded at the discretion of the University and upon request if you are unable to enrol on your programme and you have notified us within the right to cancel period stated in the [terms and conditions of enrolment](#).

We will not refund your deposit if the reason you are unable to enrol is because we have evidence that:

- a) you have supplied false or misleading information relating to your application; and/or
- b) you have obtained any qualification or status by fraud

Under these circumstances, you may be unable to enrol because we have withdrawn your offer of a place or because your application for a visa has been rejected due to fraud.

**Please note that in all circumstances, a fee of £100 will be applied** to cover the administration of the cancellation and refund.

To request a refund, you will need to contact the [Admissions Office](#) and may need to provide documentary evidence in support of your request. In normal circumstances, the University will process refunds within 14 days of receipt of a complete refund request.

### Student visas - only applicable for those requiring a Student Visa to study in the UK

In order to apply for your visa you will need to hold a confirmed unconditional offer. After this, you will then need a *Certificate of Acceptance of Studies (CAS)* - which we will issue to you once your offer is unconditional.

To be issued a CAS, or to confirm an immigration status authorising you do not need one, we will ask you to complete a *Visa Information Form*. The Visa Information Form will be sent to applicants holding unconditional accepted offers (Unconditional Firm (UF)) with us.

You can get more information on visas from our International Student Advisory Team:  
[www.brookes.ac.uk/students/isat/](http://www.brookes.ac.uk/students/isat/)

For January and September on-campus courses, we expect students to attend an Induction and Enrolment week. We will send you specific guidance for your programme nearer to the time, and information will be available on <https://www.brookes.ac.uk/new-students/> from August for September Entry, and during early January for January Entry.

## Disability and Wellbeing support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by [making a self-referral](#) to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a “reasonable adjustment” may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

## Visa

If you are an international student, you may need to obtain a visa to study in the UK before you can commence your studies with us. More guidance about visa requirements can be found on our [website](#).

Before you can apply for a visa, we have to issue you with a Confirmation of Acceptance for Studies (CAS). Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. Your CAS will be issued by our International Students Compliance Team who will contact you after you hold an Unconditional Firm Offer. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

Please start to prepare the documents you will need for your visa application as early as possible. Our International Student Advice Team (ISAT) can advise you - please see their [website](#) for information.

## How to get in touch

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at [admissions@brookes.ac.uk](mailto:admissions@brookes.ac.uk) or call us on +44 (0) 345 350 3699.

## Student Visas

If you need a Tier 4 (General) student visa to study in the UK you will require a Confirmation of Acceptance for Studies (CAS) from the University. The earliest that a CAS can be issued is six months before the course start date and after you have met the conditions of your offer, supplied all the necessary information, such as your passport details, and paid a tuition fee deposit of £1,500, if applicable. You must obtain your visa before travelling to the UK. More information about the deposit and how to pay will be sent to you once you have accepted an unconditional place in the application portal.

If you are already in the UK and have Tier 4 leave to remain for a different institution, you will not be able to register or start your studies unless you can provide evidence that you have used your Leeds CAS to apply for Tier 4 leave to study with us.

You should make your visa application as soon as you have the required supporting documents (academic and financial). The offer does not guarantee that the University will be able to sponsor you under Tier 4. For more information, please see [www.leeds.ac.uk/tier4visa](http://www.leeds.ac.uk/tier4visa).

## Membership and Alumni

As a Leeds student you will automatically become a member of the University. This membership usually continues beyond your time of study as you will join a community of over 270,000 Leeds alumni, representing the University's lifetime commitment to you. You will have access to certain University services and a vast support network and will have opportunities to attend events and reunions, learn about volunteering and fundraising, stay connected and create new connections that can help your career.

## Contract, Withdrawal and Disclaimer

This letter together with the Student Contract make up the agreement between you and the University. A copy of the Student Contract can be found at [www.leeds.ac.uk/studentcontract](http://www.leeds.ac.uk/studentcontract).

You may cancel your agreement with the University and withdraw from your course, without reason, up to 14 days after you have completed your student registration by emailing [registration@leeds.ac.uk](mailto:registration@leeds.ac.uk). You can cancel this agreement and withdraw from the University if there is a material change to your course or fees that you do not agree to.

The University may terminate its agreement with you, not permit you to re-register next year and require you to withdraw from the University, if you become unfit to study or otherwise fail to meet your commitments to the University, for example, by the non-payment of fees, inappropriate conduct or making unsatisfactory academic progress.

The University's disclaimer can be found within the Student Contract. We recommend you read the Student Contract as it includes more details on the above points together with other important information concerning your rights and commitments.

## Privacy Notice

The University will process your personal data for the administration of your position as a student, including the use of University services, such as residential services, lecture capture, attendance monitoring, the Library and sports facilities. We will on limited occasions share your personal data with third parties, including HESA and other relevant educational providers. Please see [www.leeds.ac.uk/privacynotice](http://www.leeds.ac.uk/privacynotice).

**I-20/F-1 Visa Request Process and Instructions:**

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.

- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.

- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.

- Our electronic system is referred to as **myOGS**.

- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).

- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.

- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.

- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport

2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

### Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update.
